

Celebrating its 10th anniversary in 2012, award-winning river cruise line AMAWATERWAYS continues to build upon its industry lead. With its fleet of 12 custom-designed vessels, the line is poised for its most successful year ever.

Debuting in the spring of 2012, the new MS AMACERTO is AMAWATERWAYS' largest and most imaginative ship. Inspired by classic luxury yachts, she features a "Twin Balcony" stateroom design, multiple dining venues, heated swimming pool, stunning glass elevator and more.

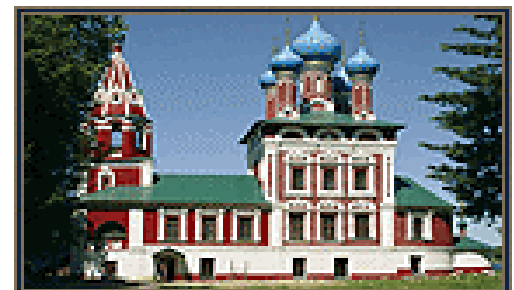

The ship joins a fleet in Europe that includes the MS AMAVERDE, MS AMABELLA, MS AMADOLCE, MS AMALYRA, MS AMADANTE, MS AMACELLO and MS AMALEGRO. For the first time, the MS AMADAGIO will cruise the Rhone River in France in 2012. Additionally, the AMA Voyages product line provides unforgettable river cruise vacations in Russia (MS AMAKATARINA), Vietnam and Cambodia (MS AMALOTUS and MS LA MARGUE rite).

The "AMAWATERWAYS Difference" extends to a myriad of complimentary amenities that passengers enjoy on a daily basis. All-inclusive features distinguishing the line from its competition include: complimentary Wi-Fi in the public lounges; complimentary, free-flowing local wines at dinner, and a specialty coffee and tea station. A professional cruise director accompanies each cruise. Accomplished tour guides lead complimentary shore excursions in every destination.

Vietnam, Cambodia & the Riches of the Mekong

16 Days - Spend 2 nights in Hanoi, overnight cruise in Ha Long Bay, then travel to Siem Reap for 3 nights before embarking on your 7-night Mekong River cruise, ending your journey with a 2-night stay in Ho Chi Minh City (Saigon)

THE MEKONG RIVER

The Mekong River winds its way from the Tibetan plateaus of China's Yunnan province, through the rainforests, plains and rice fields of five Southeast Asian countries before meeting the South China Sea. In terms of length, it's the 12th largest river in the world, but in terms of historic, cultural and ecological richness-the Mekong has no equal. The sagas of ancient empires, colonial powers and modern conflicts have unfolded along her banks. And, through it all, the Mekong remains first and foremost a lifeline. Temples, trade routes and fishing villages in the river's path are today untouched by time, just as the way of life they represent. And nowhere are the river's riches more apparent than in the neighboring-but distinct countries-of Vietnam and Cambodia.
