**7 NIGHTS FROM
\$399**

“We’re enjoying a little Italy in the tropics for 7 nights from only \$399. Now, that’s amore!”

Amore is a state of mind. It’s a passion – a zest for life that the Italians practically invented. And amore means love, as in, your clients will love everything about their Costa cruise, just as so many others have – for 60 years.

But on Costa, amore takes on additional meanings. Encompassing everything from the joy in your client’s heart as they share a spectacular Caribbean sunset or moonlit stroll, to the elation they feel when they dance the tarantella. And it stays with them. No matter where your clients give us the privilege of taking them. And no matter where they return when we part company.

So help them treat themselves to something different in the Caribbean this year – a true international cruise experience aboard our beautiful, modern Italian ship. With this Caribbean Special, you can be sure their vacation will be filled with love, laughter and la dolce vita.
